Product(s) Description Sheet

Product Description:	Medical Refrigerator – CMS29
Order Code:	#Si38
Price:	£549.95 + vat

SOLID DOOR SMALL REFRIGERATOR

- ✓ perfect for smaller locations or where there are only a few products which need critical support.
- ✓ It has a net capacity of 29L and defrosts automatically.
- ✓ It is fitted with a 2m plug for ease of installation.
- ✓ The temperature range is from 2-8°C and is stabilised by the high-quality temperature sensor, which keeps the internal temperature even and stable.
- ✓ The fridge records minimum and maximum temperatures when plugged into the power source but will continue to operate if this fails by running on the batteries installed in the panel on the side of the cabinet.

- ✓ The interior of the cabinet is painted aluminium and there are plastic-coated wire shelves for ease of cleaning.
- ✓ The LED display controller can be easily set to your required temperature. A bright LED strip lamp gives clear illumination to the interior.
- ✓ If the temperature drops below or raises above the set level, an audible alarm will sound. Similarly, the alarm will sound if the door is accidentally left open or not shut properly.
- ✓ The refrigerator has adjustable feet to ensure stability and there are also brackets fitted to the rear of the product, enabling it to be wall-mounted if required.
- ✓ The door is lockable, with 2 keys provided.

- Net capacity = 29L
- Energy Consumption (Kw/24hrs) = 0.6
- Automatic Defrosting
- Air Circulating Ventilator
- Coolant = R600A
- Cooling System = Compressor
- Lockable – 2 keys
- 2 shelves + bottom shelf
- External Control Panel • Dimensions (W x D x H) / mm = 445*485*535
- Audible and visual temperature alarms; power failure and door open alarms
- LED energy-efficient lighting

Product Description:	Medical Refrigerator – CMG29
Order Code:	#Si39
Price:	£599.95 + vat

- ✓ 5 years warranty

- Net capacity = 29L
- Weight = 29 kg
- Depth (with door open) = 875 mm
- Energy Consumption (Kw/24hrs) = 0.8
- Automatic Defrosting
- Air Circulating Ventilator
- Coolant = R600A
- Cooling System = Compressor
- Lockable – 2 keys
- 2 shelves + bottom shelf
- External Control Panel
- Dimensions 490 × 535 × H575 mm
- Audible and visual temperature alarms; power failure and door open alarms
- LED energy-efficient lighting

Product Description:	Medical Refrigerator – CMS59
Order Code:	#Si40
Price:	£699.95 + vat

SOLID DOOR SMALL REFRIGERATOR V2

- Net capacity = 59L
- Weight = 28 kg
- Depth (with door open) = 875 mm
- Energy Consumption (Kw/24hrs) = 0.6
- Automatic Defrosting
- Air Circulating Ventilator
- Coolant = R600A
- Cooling System = Compressor
- Lockable – 2 keys
- Shelves = 2+1 (small) +1 (bottom shelf)
- External Control Panel
- Dimensions 485 × 445 × H725 mm
- Audible and visual temperature alarms; power failure and door open alarms
- LED energy-efficient lighting
- Temperature Range = 2°-8°C

Product Description:	Medical Refrigerator – CMG59
Order Code:	#Si41
Price:	£769.95 + vat
